Cause No. 2019-DCV _____

PLAINTIFF'S ORIGINAL PETITION AND REQUEST FOR DISCLOSURE

TO THE HONORABLE JUDGE OF SAID COURT:

NOW COMES ROSA BARRIENTES (hereinafter referred to as "Plaintiff"), complaining of WALMART INC., (hereinafter referred to as "Defendant WALMART"), and for a cause of action would respectfully show the Court as follows:

I. DISCOVERY LEVEL

Pursuant to Rule 190, Plaintiff requests discovery in this case be conducted in Level III.

II. PARTIES

Plaintiff is a resident of El Paso County, Texas. The last three numbers of Plaintiff's social security number are 824.

Defendant WALMART INC. is a Delaware Corporation doing business in El Paso County, Texas and may be served with process by serving its registered agent, C. T. Corporation System and/or any other authorized officer or agent at 1999 Bryan St., Suite 900, Dallas, TX 75201 or wherever they may be found.

III. FACTS

The injuries and damages suffered by Plaintiff and made the basis of this action arose out

of an incident that occurred on or about April 3, 2019, in El Paso County, Texas. At such time and place, Plaintiff was walking near the front of Defendant's store when she slipped on vomit on the floor and suffered injury. Defendant was aware of the spill prior to the incident but failed to take remedial actions to clean the spill, warn customers or prevent the incident from occurring. Plaintiff received injuries to her back, right arm, right shoulder, ankles and other parts of her body as a result of the incident.

IV. PREMISES LIABILITY

While upon Defendant's premises and under their control, Plaintiff suffered damages and injuries caused by a dangerous condition on the premises, which Defendant actually knew or, in the exercise of ordinary care, should have known existed.

Defendant negligently caused or negligently permitted such condition to exist and negligently failed to warn Plaintiff of the condition of the premises, despite the fact that Defendant actually knew, or in the exercise of ordinary care, should have known of the existence of the condition and that there was a likelihood of someone being injured as happened to Plaintiff.

V. NEGLIGENCE OF DEFENDANT WALMART

Plaintiff alleges that the occurrence and Plaintiff's damages were proximately caused by one or more of the following alternative theories of negligence on the part of Defendant WALMART:

1. Negligent hiring, supervision and retention of its employees;
2. Failure to properly train and supervise its employees and agents;
3. Failure to establish and enforce safety rules and regulations;
4. Failure to maintain and exercise proper control and management of policies, procedures and protocols for the safety of customers;
5. Failing to warn invitees of the dangerous condition;
6. Failing to protect the safety of Plaintiff;
7. Failing to clean the area;
8. Failing to inspect;
9. Failure to pay attention;

10. Failure to install warning signs;
11. Failure to install cones
12. Failure to warn Plaintiff of the dangers;
13. Failure to use due care under the circumstances;
14. Failing to maintain the area in a reasonably safe condition;
15. Failure to provide warning;
16. Failure to keep aisles free from clutter;
17. Failure to perform regular sweeps of the aisles; and
18. Other negligence to be discovered during discovery.

Each act and omission is other than what a reasonable person would have done under the same or similar circumstances. As such, each negligent act and omission, whether taken singularly or in any combination, was a proximate cause of Plaintiff's injuries and damages described below.

VI. DAMAGES

As direct and proximate result Defendant's negligence, Plaintiff suffered bodily injuries, and incurred expenses for medical care, attention and other expenses. The expenses were necessary for the care and treatment of injuries sustained by Plaintiff. The expenses incurred and to be incurred are usual and customary for such services. Plaintiff will require further medical care and attention and will incur reasonable and necessary medical expenses in the future. Plaintiff was unable to work, lost wages and earning capacity, and will continue to suffer from a loss of earning capacity in the future. Plaintiff was prevented from performing household duties and will continue to be unable to perform them in the future. Plaintiff has suffered, and will continue to suffer, pain and suffering. Plaintiff has suffered, and will continue to suffer, impairment to his body. Plaintiff has suffered, and will continue to suffer, mental pain and anguish. Plaintiff has suffered disfigurement. Plaintiff will, in reasonable probability, suffer from pain, physical impairment, mental anguish and loss of earning capacity in the future. Plaintiff has suffered total damages that are within the jurisdictional limits of this Court.

Pursuant to T.R.C.P. 47, Plaintiff is required to plead the maximum amount of damages sought; however, some damages are unliquidated and cannot be easily calculated in monetary terms. In addition, discovery has not yet begun and the extent of Plaintiff's future damages are still being determined. At this early stage of the proceedings, Plaintiff requests that the jury be fair and reasonable in its determination of actual damages in an amount of over \$200,000.00 but no more than \$1,000,000.00.

VII. TRIAL EVIDENCE

Plaintiff hereby notifies Defendant that Plaintiff intends to use Defendant's discovery answers and responses, including any evidence produced in response to such discovery, as evidence in trial in accordance with such right and privileges established by Tex. R. Civ. P. 193.7.

VIII. JURY REQUEST

Plaintiff respectfully requests a trial by jury.

IX. REQUESTS FOR DISCLOSURE

Pursuant to Rule 194, Defendant is requested to disclose within the time period set forth in Tex. R. Civ. P. 194.3 the information or material described in Rule 194.2(a) - 194.2(l).

X. PRAYER FOR RELIEF

WHEREFORE, PREMISES CONSIDERED, Plaintiff prays that Defendant be cited to appear and answer, and that on final trial, Plaintiff has judgment against Defendant for all relief requested, for costs, pre-judgment and post judgment interest, and for such other relief, general and special, at law or in equity, to which Plaintiff is entitled.

DEFENDANT’S ANSWER TO PLAINTIFF’S ORIGINAL PETITION

TO THE HONORABLE JUDGE OF SAID COURT:

Defendant WALMART INC. (proper entity being Wal-Mart Stores Texas, LLC) files its Answer to Plaintiff’s Petition ("Petition"), and in support thereof would respectfully show the Court as follows:

I.
GENERAL DENIAL

Pursuant to Rule 92 of the Texas Rules of Civil Procedure, Defendant denies all material allegations contained in Plaintiff’s Petition and demand strict proof thereof as required by law.

II.
DEFENSES

- A. The acts and omissions of certain non-parties to this lawsuit were the sole proximate cause of the occurrence and any alleged injuries or damages claimed by Plaintiff.
- B. To the extent Plaintiff suffered any injuries or damages as described in Plaintiff’s Amended Petition, which Defendant denies, those injuries and damages were proximately caused by the acts or omissions of persons and/or entities over whom Defendant has no control and for whom Defendant has no liability.

- C. Plaintiff's injuries and damages, if any, may have resulted from pre-existing and/or unrelated condition(s), and thus were not proximately caused by the occurrence made the basis of this lawsuit.
- D. Plaintiff's injuries and damages, if any, may have resulted from subsequent events or conditions that constitute new and intervening causes, which were not proximately caused by Defendant.
- E. Plaintiff's injuries and damages, if any, may have been the result of an unavoidable accident as that term is defined and recognized by law.
- F. The injuries and damages sustained by Plaintiff, if any, can be attributed to several causes and accordingly should be apportioned among the various causes according to the respective contributions of such causes to the harm sustained.
- G. Defendant pleads Texas Civil Practice and Remedies Code Section 41.0105, which limits Plaintiff's recovery of medical expenses.
- H. Defendant pleads the provisions of the Texas Finance Code, Section 304.1045, which prohibits the recovery of prejudgment interest on any award of future damages.
- I. Plaintiff's recovery for lost earnings, lost earning capacity, or other pecuniary loss, if any, must be limited to the net loss after reduction for income tax payments or unpaid tax liability pursuant to federal income tax law pursuant to Tex. Civ. Prac. & Rem. Code Section 18.091(a).

III.

AFFIRMATIVE DEFENSES

In the alternative, and without waiving the foregoing, Defendant asserts the following affirmative defenses:

- A. Plaintiff's injuries and damages, if any, may have been proximately caused by Plaintiff's own negligence, which bars recovery or, in the alternative, reduces it proportionately.

B. To the extent Plaintiff failed to act reasonably to mitigate alleged damages, if any, Defendant is not responsible for any damages that could have been avoided.

IV.

JURY DEMAND

Defendant requests trial by jury.

WHEREFORE, PREMISES CONSIDERED, Defendant pray to the Court that it be allowed to go hence without day and with its costs.

Respectfully submitted,
